the provision of Rs 8200 for feeding has been reduced by Rs 1500 to accumulate funds for the construction of a chattram for non-Brahmins.

E 3 In Gy. G No. 768-7/Mny 141-28-2 & 12.10.28 the Mny Comrs. letter stating that he has issued instructions for stopping the allee of 300 padis of rice given to a private chattram for giving night meals to pilgrims & for restricting the feeding during season Brahmotsavam to outside pilgrims, was recorded.

4. The total amount of reduction being made Rs 2500, inclusive of Rs 1000 on account of contribution to the Estab[t] Fund, the M e has submitted for sanction proposals for revision of the scale of expenditure as sent in by the Peshkar. Reasons for reduction of expenditure under certain items have been explained given both in the Peshkar's report and the revised scale.

5. The Peshkar reports that in order to effect savings under feeding, the daily feeding area to be restricted to only 45 pilgrims & that to do this ticket system has to be introduced, which involves some difficulty, he says.

6. Under Attanda the average cost is put down at Rs 4149 & the Peshkar states that a provision of Rs 4300

SIR,

Adverting to Government Order No.334-5/M.F.194-27-2 dated 14th August 1928 directing that the grant allowed for feeding in the Chattram on the Tirupati Hills be limited to the original allotment of Rs.6700/- and that the addition of Rs.1500/- given in 1924 be saved from 1928-29 for construction of a building for the accommodation of Non-Brahmin travellers, I have the honour to state that as another sum of Rs.1000/- had to be spared for contribution towards the Muzrai establishment fund in accordance with Government Order No.1220-21/M.F. 341-26-6 dated 31st January 1928, proposals for the revision of the scale of expenditure limiting the cost to Rs.17,500 were called for from the Peshkar. In reply, he reports that reduction in respect of Sevas in the temple and the establishment attached both to the temple and the Chattram is not possible, that in respect of feeding, it will have to be limited to 10 pilgrims a day, exclusive of the ten servants attached to the Chattram and this rule will have to be observed with some rigidity by introducing the Ticket system once again. His report is enclosed in original for perusal and kind return. In the statement attached thereto, the existing scale and the proposed one based on the average of the past five years and resulting in a reduction of Rs. 2500/- on the whole are exhibited. The revised scale may be kindly sanctioned.

As regards the construction of a Chattram for Non

Brahmins, I beg to state that as Government are not in favour of stopping feeding altogether as recommended, it is not possible to provide the amount required for a new building by savings within a reasonable time. This new building is absolutely necessary and has to be started from next year. In view of the urgency of the need for this building, I have in another communication (D.O.letter to the First Member of Council) submitted proposals for apportioning some amount out of the savings of the Nowl Krishnadas Charities.

Early sanction thereto is requested.

I have the honour to be,

S i r ,

Your most obedient servant,

Muzrai Commissioner.
